<p>EDUCATIONAL WORKSHOP</p> 	<p>August 21, 2020, 3:00 PM – 4:00 PM Why Advocate? Why Now?</p> <p>Click to Register Here</p> <p>With states facing unprecedented economic and public health crises, its critical for NAMI members and interested parties to understand how to advocate for stronger public policies and resources to support individuals and families affected by mental illness. In many instances, NAMI members have never had direct contact with their state lawmakers. The goal of the session is to familiarize participants with the state policies that have the greatest impact on access to mental health care, how those policies are decided, and how to get involved to positively influence these decisions. In particular, the objective is to provide a beginner's guide to mental health advocacy.</p>

A Wellness Curriculum for Mental Health

[Click to Register Here](#)

This workshop provides an overview of Breathe Easy Live Well (BELW), a 15 week wellness curriculum for mental health. It has been implemented by several organizations in Kansas with leadership from Breakthrough Episcopal Social Services. Participants will learn how to access the BELW materials, adapt the curriculum for their organization and gain knowledge of other wellness-related training resources.
